Members may purchase a Texas-shaped parent club name tag (Typically ordered during the summer). Your membership also allows us to remember your cadet on their birthday, Acceptance Day and other times throughout the year.**

**Our goal is to provide support and celebrate accomplishments with parents and cadets in the Permian Basin region.**

***Please return this form and your $25 check for annual dues. Even if you don't join the parent club, please send your information form so that we will have accurate information. It is our tradition to send all known USAFA cadets from our area care packages and cards, whether or not the parents are dues-paying members, however, all our dues go to support our cadets and having all of our parents pay dues is our goal and is GREATLY APPRECIATED!***
